

SCIENTIFICALLY PROVEN FORMULA  
IDEAL CAROTENOID COMBINATION

FORMULATIONS

- ✔ Powerful carotenoid and omega-3 phospholipid delivery system
- ✔ Clinically tested CARMIS formula with the Valensa proprietary advantage:
  - Zanthin® Natural Astaxanthin
  - Lutein + Zeaxanthin
  - Verilla™ Perilla Seed ALA Omega-3
  - Sunflower Phospholipids
  - Vitamin E + C
  - Zinc + Copper

PRODUCT FEATURES

- ✔ Potent down regulator of ocular inflammatory cytokine expression
- ✔ Protection from blue light induced retinal damage and eye fatigue
- ✔ Contributes to normal macular pigment deposits
- ✔ Reduction of DNA Damage

APPLICATIONS

- ✔ Softgels

Eye Pro CARMIS® provides the trifecta of carotenoids for the eyes: Zanthin® Natural Astaxanthin, lutein and zeaxanthin, which have been shown to cross the blood-retina barrier. These carotenoids reduce oxidative stress to the retina and macular cells, protecting the eyes. Eye Pro CARMIS® contains Zanthin® Natural Astaxanthin, lutein and zeaxanthin, the same xanthophyll carotenoids clinically tested under the CARMIS study.

Clinical Support\*\*:

CARMIS (Carotenoid in Age-Related Maculopathy) 2-Year Intervention Study Outcomes: visual acuity, contrast sensitivity. Patients treated with astaxanthin, lutein, zeaxanthin with select vitamins and minerals were more likely to report clinically meaningful stabilization/improvements in ocular function through 24 months compared to placebo.
